Welcome to the Purple Onion where the food is so good it'll make you cry. We're not your average fast food joint so please sit back and relax as we cook your meal to order right before your eyes. We believe that our fresh, imaginative, yummy creations are well worth the small wait. Need to make it fast? Check out our specials online and call ahead. We'll have your order waiting for you whether you are dining in or taking out.

Some things to know about us to make your visit a pleasant one:

◆ We are friendly folk, we hope you are too

◆ Assistance animals are welcome. Sadly, all other furry friends must remain outside per order of the Board of Health

◆ Smoking is not permitted on restaurant premises.

◆ Newburyport's historic downtown can sometimes be a bit tricky to maneuver with the cobblestone and brick. Should you need assistance, we are more than happy to help in any way we can

◆ To help keep our costs down we ask that you kindly bus your table when you are done. We do recycle, so leave your cans and bottles in the box next to the trash. Please do not throw our black serving trays away; you can place them on the counter above the trash receptacle

◆ Our generous portions may find you with some food you'd like to take home. Foil wrap, lids and bags are located on a shelf near the exit in the dining room

◆ We love even our littlest visitors, yes we do! But you can see we've got a pretty cozy place here. Carriages and strollers are best left outside for the comfort and ease of all our patrons. Additionally, carriages must not block either exit or any pathway within the restaurant for means of safe egress in the event of an emergency

◆ If you have a dietary restriction please ask us for assistance in creating a dish just for you – we dig that sort of thing! If carbs are a concern, all of our Rice Bowls taste just a yummy served over a bed of romaine lettuce. And since most of our menu is cooked to order we can usually meet your menu requests

We've been serving up our eclectic Purple Onion fare since the fall of 2000 and we're very lucky to have such wonderful, gracious customers like you. Please know that we aim to satisfy your hunger and make you feel very welcome during your stay. We hope you have a delightful time here today and that we see you again in the near future. Your feedback is important to us in order that we may serve you better. Drop us a line at info@thepurpleonion.com to let us know how we are doing.
